Professor Tony Janovich, 10th Dan, is the senior student of his teacher, Prof. Sig Kufferath, who was the succeeding Professor after the passing of Prof. Henry S. Okazaki in Hawaii.

Professor Janovich brings a unique perspective to the practice and application of the full spectrum of the Danzan Ryu system. He is a Santa Clara police officer, a master martial arts teacher and operates a restoration massage clinic using Prof. Okazaki's method of Seifukujutsu. With his years of practical experience on the mat, in the “mean streets” and on the therapy table, Prof. Janovich's “Kappo-Sappo” dojo tour promises to be an excellent opportunity for you to see the “real deal” in action.
